Congratulations

Your FBLA chapter has bestowed a great honor upon you in electing you chapter treasurer. During the coming year, it will be your responsibility to serve your chapter to the best of your ability.

This resource guide is designed to aid you in the implementation of your responsibilities—managing your chapter's funds, and keeping an accurate record of all money.

The members of your chapter will be looking toward you for guidance this year. You shall be a leader and an inspiration to them. What you do makes a great difference to the success of the chapter. GOOD LUCK!!!

The Treasurer's Role

As treasurer, there are responsibilities and expectations placed upon you. You must be a leader and a friend to the members of your chapter. As well as this, you must take an active role in participating in chapter activities.

Always keep up the image that FBLA has in your community and your school. You represent your chapter, so it is important that people perceive you in a positive light.

Your major duties are to keep an accurate record of all money received and spent. You must keep an up-to-date membership count and work with your chapter adviser to assure that the National online membership registration is completed and payment is submitted to the National Office.

You play an important role in the operation of your chapter. Meet all budget deadlines and make sure that you always have an up-to-date treasury balance on hand.

Keeping a Membership Count

A treasurer's job is not only to keep track of the money, but to keep track of the number of members as well. Membership is very important in every chapter, so it is of the utmost importance that your count is accurate. The number of members must equal the amount of dues collected.

The first step is to record the name (last name, first name), year, office, ethnicity, and gender for each member in the membership count. Also, keep a separate record of the member responsible for recruiting each new member, which will be used for state recognitions. To assure that your membership count is accurate, keep detailed records of the dues received. Using a receipt book will allow you to keep accurate records. In the book, you will write receipts for ALL members when they pay dues. By doing this, both the chapter and the member will have a copy of the proof of payment.

After dues are collected, work with your chapter adviser to complete the National online membership registration by the designated deadlines. Payment for membership dues should be sent to the National office.

Encourage your chapters to recruit Professional Division (PD) members. Ten dollars of every twenty-five dollar dues goes toward the L. Byram Bates Memorial Scholarship fund for outstanding California FBLA members. By recruiting a minimum of ten PD members a chapter will be recognized for having completed the Professional Division Recruitment state project. Please use the membership form in Appendix D. Past PD members may opt to submit the national renewal form instead.

Creating a Budget

A budget is necessary in the operation of an FBLA chapter. It is prepared by the Treasurer at the beginning of the year and adopted by the officer team (who should assist in the preparation process). A budget is a plan by which the chapter will earn and spend its money throughout the year. This is necessary to avoid impulse spending. With a budget, everything is planned in advance. Also, when you present an up-to-date budget showing the amount spent or received to date, the team can decide in which areas they should cut spending, increase spending, increase revenue, etc. All in all, a chapter NEEDS a budget.

There are two different areas on a budget, the income and the expenses (see Appendix A for a sample budget). In the income area, there are three columns: the "Budgeted" column, the "Received to Date" column, and the "Account Balance" column. Then, in the expense area, there are three columns as well. There's the "Budgeted" column, the "Spent to Date" column, and the "Account Balance" column.

The budgeted column of income addresses the amount of money that your chapter expects to take in during the year. As an example, let's take dues. You might expect to take in \$440.00 for 40 members at \$11.00 each. If you're considering the budgeted column of the expenses for the dues for the example just given, you will put in \$440.00 (40 members @ \$6.00 each for national dues and \$5.00 each for state dues).

"Received to Date" is the amount of money that you have taken in up to the point that you created the report. For example, if you expect to receive \$440.00 for dues during the year and on November 24 you have taken in \$264.00 of that money, then that would be the amount that you have "Received to Date". In the "Spend to Date" column for the dues example, you will have \$264.00 that was sent in (\$6.00 each for national dues and \$5.00 each for state dues).

The final column is the account balance column. For this, the amount in the "Received to Date" or "Spent to Date" column is subtracted from the "Budgeted" column to tell you how much more you need to receive or have available to spend. For example, on November 24, you have received \$264.00 of the \$440.00 you expected to take in for dues. This means that the account balance will be \$176.00 (\$440.00 - \$264.00 = \$176.00).

The Journal and Treasurer's Report

The journal is the best way for you to keep an accurate record of the money that your chapter spends and takes in. It's easy to record transactions in your journal, and it's a quick reference for your chapter's cash on hand.

Please see Appendix B for a sample journal.

At each executive board meeting, it is your job to report the chapter's financial standing. The types of budgets vary from chapter to chapter, so speak to your adviser to find out if he/she wants you to use a different format.

A treasurer's report consists of the same numbers that you placed in the "Received to Date" column and the "Spend to Date" column on the chapter budget. It, like the budget, is divided into two areas, income and expenses. If the income is greater than the expenses, then your chapter has a net gain. If the income is smaller than the expenses, then your chapter has a net loss.

Please see Appendix C for a sample treasurer's report.

Balance on hand, April 30, 20		\$2,064.63

Appendix D Professional Membership Form

Please see the following page.

CALIFORNIA FUTURE BUSINESS LEADERS OF AMERICA

2009-2010 Professional Division Membership Form

I want to demonstrate my support for tomorrow's business leaders! Enclosed are my Professional Membership dues for 2009-2010.

Important Notes:

- The professional membership year is August 1 to July 31.
- Your \$25 membership fee includes \$10 for California FBLA, which goes toward the L. Byram Bates Memorial Scholarship Fund.
- Option 1: You can submit membership dues to the CA FBLA State Office using this form. Checks should be made out to California FBLA. It will then be processed online to the national office. This form must be submitted to the State Office by February 3 (received). Memberships received after February 3 will not be processed in time for the March 1 deadline and therefore will not count toward national recognition.
- Option 2: You can submit membership directly through the national office via online registration on the National FBLA web site. You have until March 1 to complete it online. Memberships received after March 1 will not count toward national recognition.
